Gather beautifully.

FUNCTIONS & CATERING

Milestone dinners, family celebrations and work gatherings deserve food that brings everyone to the table.

Royal flavours.
Your kind of occasion.

A PLACE TO CELEBRATE

For four decades, Royal India has been a place for people to come together in West Perth. Let Chef Vinay and the team bring familiar favourites, generous hospitality and the warmth of Indian cooking to your next gathering.

Make room for everyone.

Bring your guests to our restaurant at 1134 Hay Street for a long lunch, a relaxed dinner or a special celebration. We can plan a shared menu around the dishes you love, from tandoor-roasted starters to slow-cooked curries and freshly baked naan.

Sundays are set aside for private events. Tell us your date and guest numbers, and we will discuss the right arrangement for your group.

Every gathering has its own story.

Whether it is an intimate table or a room full of familiar faces, we can help shape a menu that feels right for your guests.
